PART 7 – Confirmation, authorization and signature

I authorize Canada Life, any healthcare or dentalcare provider, my plan sponsor, the Federal PSHCP Administration Authority, other insurance or reinsurance companies, administrators of government benefits or other benefits programs, other organizations or service providers working with Canada Life located within or outside Canada, to exchange personal information when necessary for these purposes. I understand that personal information may be subject to disclosure to those authorized under applicable law within or outside Canada.

I acknowledge that the personal information is needed to assess eligibility for this drug and to administer the group benefits plan. I acknowledge that providing consent will help Canada Life to assess my claim and that refusing to consent may result in delay or denial of my claim. This consent may be revoked by me at any time by sending written instruction to that effect.

I also consent to the use of my personal information for Canada Life and its affiliates' internal data management and analytics purposes.

If the patient is a person other than myself, I confirm that the patient has given their consent to provide their personal information and for Canada Life to use and disclose it as set out above.

In accordance with the [Positive Enrolment Authorization and Declaration \(welcome.canadalife.com/pshcp/review-authorizations-and-declarations.html\)](http://welcome.canadalife.com/pshcp/review-authorizations-and-declarations.html) accepted during the completion of Positive Enrolment (refer to your Positive Enrolment Record if you completed Positive Enrolment by paper), I agree to the collection, use and disclosure of personal information as set out in the Privacy section, Canada Life's Privacy guidelines and the PSHCP Privacy Statement.

I certify that the information given on this claim form is true, correct and complete to the best of my knowledge. Failure to provide true, correct and complete information on this form could result in revocation of any approval decision, a requirement to repay paid claims or other appropriate action.
